

**Subject:** FRAC SAND SENTINEL ISSUE # 144 JUNE 29, 2017 LITIGATION NEWS AND A MEMORIAL TO GLENN STODDARD, ATTORNEY

---

METEOR TIMBER/DNR LAWSUIT INFORMATION

DNR WILL SOON RELEASE CITIZEN PETITION RESULTS: MORE TO COME LATER  
WHEN WE HEAR NEWS

IN MEMORY OF ATTORNEY and ENVIRONMENTALIST GLENN STODDARD

*.....keeping  
watch on the  
industry*

Issue: ISSUE # 144  
Date: JUNE 29, 2017

**This issue of the  
Frac Sand  
Sentinel is  
dedicated in  
memory of  
Attorney Glenn  
Stoddard who  
passed away at  
his beloved cabin**

**on June 16, 2017. He will long be remembered for  
his involvement in the Town of Cooks Valley in  
Chippewa County as well as for the many  
environmental causes he defended throughout  
the state. Blessings to his family and to all of you  
who knew him and worked with him. Glen will be**

**missed by many. May he long be remembered for his dedicated work in defending the rights of all involved in the issues related to frac sand mining and other environmental and justice questions.**

**1958-2017**

**\*\*\*\*\***

**Litigation seems to be occurring more frequently in Wisconsin regarding frac sand mining, processing and trans-load as the DNR and the Army Corp of Engineers approve these heavy industrial operations.**

**Two environmental groups and the Ho Chunk Nation have filed lawsuits related to the filling in of over 16 acres of wetlands in the Town of Grant in Monroe County.**

**<http://www.jsonline.com/story/news/2017/06/20/opponents-sand-mining-project-sue-wisconsin-dnr-over-wetlands-loss/409588001/>**

**The litigation will no doubt slow down the progress of Meteor's plans. More can be read and heard at WPR's site:**

**<http://www.wpr.org/environmental-groups-tribe-go-court-keep-frac-sand-mine-out-wetlands>**

**Midwest Environmental Advocates has full coverage at its site:**

<http://midwestadvocates.org/issues-actions/actions/meteor-timber-wetlands-fill-and-frac-sand-facility/>

**Word has it that the DNR will soon release its findings regarding the Citizens Petition to study frac sand mining and related issues. There will be more to come as this information is released.....**
