**individuals, and those who care about our families, communities and State; pulling everyone together to network, educate and embolden like-minded individuals, to step up and organize for a better country, community and way of life has been one of our central themes.**

**It is my great pleasure to announce, that we have been in contact with people in Wausau, who are happy to help us expand our outreach, by hosting a Wausau Grassroots Festival. With keynote speakers like Rep. Dennis Kucinich and The Nation's John Nicholas, along with Martha Laning and 5 of the top gubernatorial candidates (including Tony Evers, Andy Gronik, Mike McCabe, Kathleen Vinehout and Dana Wachs) and 10 breakout sessions filled with top notch speakers, I believe this festival will be our best yet.**

**We would like you to help us get out the word, but we are also asking you to take this opportunity to get the message out about your own organizations. Tabling at our events, is something that I have done myself in years past, and have found that it really helps people have a front window into what a group or organization is doing. It is better than soliciting, as you have people who are coming to the event who JUST**

want to find out more about how groups are organizing and advancing their agendas. We are asking for \$35.00 a table. We do provide one table and two chairs. Having tabled myself and being able to have had a hand in writing this agenda, I have added much more time for tabling, so that those who invest in our festival, may have more time and opportunity to visit with our guests to learn more.

Bless their hearts, the *Raging Grannies* will be coming as well. They will be entertaining us before lunch, and later in the day they will help lead us in a Happy Birthday song as October 8<sup>th</sup> (the next day), is Dennis Kucinich's birthday.

So please contact me: Rev. John Stanley @ 1-608-846-0759 for more information or write me: [Alwaysssinging3@hotmail.com](mailto:Alwaysssinging3@hotmail.com).

You can also contact out WGN chair and DPW rural caucus chair Nate Timm @ 1-608-220-0139.

Even if you have already been contacted about a table, please contact me again, so I can make sure you are represented. I thank you for the wonderful work that is being done and time you devote to bringing us better, wiser, more educated, cleaner, stronger and happier
