Public Notice of an Air Pollution Permit

Application Review

Facility Description.

**Wisconsin White Sand, LLC, located at 12491
Franklin Road, Byron, Monroe County,**

Wisconsin, FID 642028420, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for the operation of an industrial sand processing facility.

Air pollution control operation permit no. 642028420-F01.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis, and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin 53703; and at the West Central Region Air Program, Eau Claire Service Center, 1300 West Clairemont, Eau Claire, Wisconsin 54701. This information is also available for downloading from the Internet at

<http://dnr.wi.gov/topic/AirPermits/Search.html>.

For questions on the permit application, the DNR's analysis, and the draft permit prepared by the DNR, or to make arrangements to

review the documents at a DNR office, please contact Mark Hammers at (608) 275-3233 or by e-mail at mark.hammers@wisconsin.gov.

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Hearing.

On September 22, 2017, a notice was published in the Wisconsin State Journal and on the Department website soliciting written comments from the public on the proposed project and the DNR's analysis and preliminary determination and giving the opportunity to request a public hearing.

A request for a public hearing have been received.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1),and 285.61(7), Wis. Stats., DNR will hold a public hearing to receive public comments on the air pollution control construction permit application submitted by Wisconsin White Sand, LLC.

NOTICE IS FURTHER GIVEN that the public hearing will be held:

Thursday, October 26th, 2017 at 10:30am

Tomah City Treasurer

Council Chamber

819 Superior Avenue

Tomah, WI 54660

All comments received by the DNR at the public hearing, and prior to the close of the comment period will be considered prior to making a final decision regarding the proposed project. After the public hearing and the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control operation permit.

If you would like a copy of the final determination, contact Mark Hammers, South Central Region Air Program, Fitchburg Service Center, 3911 Fish Hatchery Road, Fitchburg, Wisconsin 53711, or by telephone at (608) 275-3233.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
