

Issue: #54  
Date: December 26, 2015

HAPPY HOLIDAYS TO ALL!!!

Issues regarding wetlands continue to surface. Your assistance in making comment to the Army Corp of Engineers would be greatly appreciated:

**Badger Mining's APPLICATION FOR PERMIT TO discharge fill material into 4.96 acres of wetlands adjacent to wetlands adjacent to an unnamed tributary to the East Fork Halls Creek for the construction of a rail loop at the Badger Mining Corporation Merrilan resin coating facility.**
