

DRONE VIDEOS: TAKE A LOOK!

EXAMPLES OF THE EXTRACTION METHODS USED TO FEED OUR FOSSIL FUEL APPETITE!

TO ALL FROM TED AUCH!

"Thanks to one of our favorite people Doug Wood in South Rockwood we got ourselves into position to get some excellent drone footage of US Silica's frac sand processing site in Rockwood Michigan last summer and thanks to it falling to the back of the line I am just now getting to uploading this footage to our YouTube channel. Anyway below is a link to our channel and the first two videos are the ones I am referencing.
