**BEFORE THE DEPARTMENT OF NATURAL  
RESOURCES NOTICE OF PUBLIC  
INFORMATIONAL MEETING**

**The Department of Natural Resources (DNR)  
will hold a public informational meeting to  
review the ambient air quality monitoring  
network throughout Wisconsin.  
Monitoring Network**

**On May 2, 2018 the air management program  
made available for public review and comment  
the federally required "Wisconsin Department**

**of Natural Resources 2019 Air Monitoring Network Plan.” Wisconsin is required to submit an annual network plan to EPA that details that the siting and operation of each monitor meets the requirements of 40 CFR Part 58. The plan also proposes DNR recommended changes to the ambient monitoring network based on monitor history, population distribution and modifications to federal monitoring requirements. Responses to the plan are gathered through public comments, a public meeting and EPA approval. This plan certifies that the state has met all federal ambient air monitoring requirements.**

**At the public meeting on May 16, 2018, the DNR will review the changes that occurred in 2018 and will present an outline of proposed changes for 2019. An explanation will be provided for each deviation from the previous year’s plan as well as the proposed changes. Public comments on the changes will also be received at the informational meeting.**
