the industry*

Issue: #205
Date: JUNE 5, 2018

MINE
PROCESSING
PLANT
RAIL LOADOUT
COMING TO
WEYERHAEUSER, WISCONSIN

Public Notice of an Air Pollution Control Permit

Application Review

Facility Description.

**Source Energy Services Proppants LP -
Weyerhaeuser Sand Processing, located at
W14521 Stiles Road, Weyerhaeuser, Wisconsin,
FID 855010310, submitted to the Department of
Natural Resources (DNR) a permit application,
including plans and specifications to modify a
proposed rail loadout and operate an industrial
sand mine and
processing facility.**

**Air pollution control construction permit: 18-MBH-
009-R1**

**Air pollution control non-Part 70 synthetic minor
source operation permit: 855010310-F03
Application Review.**

**DNR has made a preliminary determination that
the application meets state and federal air
pollution control requirements and
that the permit should be approved.**

**You can review the permit application, the DNR's
analysis and draft permit prepared by
the DNR at the Department of Natural Resources
Bureau of Air Management Headquarters, Seventh
Floor, 101 South Webster
Street, Madison, Wisconsin, 53703; and at West**

**Central Region Headquarters, 1300 W. Clairemont
Avenue, Eau Claire, WI
54701; This information is also available for
downloading from the Internet at**

<http://dnr.wi.gov/topic/AirPermits/Search.html>

**For questions on the permit application, the
DNR's analysis and the draft permit prepared by
the DNR, or to make
arrangements to review the documents at a DNR
office, please contact Mark Hammers at (608) 275-
3233 or by e-mail at
Mark.Hammers@Wisconsin.gov.**

**This is a preliminary determination and does not
constitute a final approval from the Air
Management Program or any other
DNR sections which may also require a review of
the project.**

Public Comments.

**Interested persons wishing to submit written
comments on the application or DNR's review of it
or wishing to request a public
hearing should do so within 30 days of**

publication of this notice.

Posting and Public Comment Deadline dates can also be found on “Air permit public notices” web page located at

http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx

Comments

**or request for hearing should be sent to:
Wisconsin Department of Natural Resources,
South Central Region Headquarters, 3911 Fish
Hatchery Road, Fitchburg, WI
53711. Attn.: Mark Hammers.**

If a hearing is requested, the requester shall indicate their interest in the permit and the reasons why a hearing is warranted. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

All comments received by the DNR at the public hearing if one is held, and prior to the close of the comment period, will be

considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
