the industry*

Issue: #204
Date: JUNE 4, 2018

It is critical that people knowledgeable about reclamation planning, and implementation comment on the documents.

Please join nearby residents in attending and commenting on this vast expansion of frac sand mining. This company would also like to drain its contaminated storm water and waste water into a nearby stream.

This mine site will cover approximately 1,085 acres of land. Currently 142 acres are disturbed or being mined so this is a very LARGE expansion.

OFFICIAL PUBLIC NOTICE

Nonmetallic Mining and Reclamation Notice is hereby given that Chippewa Sand Company, LLC has filed an application for an expansion of an existing Nonmetallic Mining Reclamation Permit to meet the requirements of the Chippewa County Nonmetallic Mining Reclamation Ordinance.

The applicant proposes to: extract sand and sandstone using excavators, bull dozers, trucks, and/or blasting; screen, sort, and wash sand on-site; and establish a post mining land use as Conservation Lands; grassland/prairie/forest savannah.

All surface structures and facilities will be decommissioned and removed at the completion of mining.

The proposed mine site covers approximately 1,085 acres (142 acres currently active/disturbed)

and will be sequentially mined and reclaimed in progressive stages.

A hearing on the permit application and reclamation plan will be held on Tuesday evening, June 26, 2018, in Room 302 at the Chippewa County Courthouse.

A public informational hearing, pursuant to NR 135.20(2), will commence at 7:00 p.m. The public informational hearing will be conducted for the purpose of explaining and receiving comments from affected persons on the nature, feasibility, and effects of the proposed reclamation.

Pursuant to Wis. Admin. Code NR135.20(3)(c), the subject matter and testimony at this public informational hearing shall be limited to the reclamation of the nonmetallic mine site.

To meet this requirement, public testimony that extends beyond the scope of the NR135.20 hearing, including matters related to traffic, setbacks, blasting, hours of operation, noise or dust control, or the question of whether to use the land for mining, will be curtailed.

Copies of the application and reclamation plan are available for review at the Chippewa County Department of Land Conservation & Forest Management, 711 N. Bridge Street, Room 011, Chippewa Falls, WI 54729 during regular business hours. The plan can also be viewed and downloaded at no cost from the Department's website at:

<http://www.co.chippewa.wi.us>

Paper and digital copies are available upon request at duplication cost.

The public may contact the Department of Land Conservation & Forest Management at (715) 720-3644 with questions regarding the application and reclamation plan or if you wish to make an appointment to review documents for the proposed mine.
