

Subject: HEARING IN CHETEK, WI REGARDING PIRANHA PROPPANTS (CHIEFTAIN)

ATTENTION BARRON CO AND CHIPPEWA CO RESIDENTS

It is critical there be a good representation of the public at this meeting. If you feel you can't comment on the permit, you can raise questions. I learned a great deal at the SSS permit hearing this past week. Only 2 citizens (one representing Sierra Club and I) were present.

Mark your calendar for:

**Monday, July 30, 2018 at 6:00 p.m.
Chetek City Hall Chamber**

**Public Notice of an Air Pollution Control Permit
Application Review**

Facility Description:

**Piranha Proppant LLC, located at US Highway 53
and County Highway SS, Dovre Township, Barron
County, Wisconsin, FID 603107010**

SUBMITTED

**application, including plans and specifications for
the construction of a sand dryer and a rail loadout
and
the operation of a dry sand processing plant.**

**Air pollution control construction permit no. 18-
POY-007**

**Air pollution control operation permit no.
603107010-F01**

Application Review.

**DNR has made a preliminary determination that
the application meets state and federal air
pollution
control requirements and that the permit should
be approved.**

You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at West Central Region Headquarters, 1300 W. Clairemont Avenue, Eau Claire, WI 54701; This information is also available for downloading from the Internet at

<http://dnr.wi.gov/topic/AirPermits/Search.html>

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Paul Yeung at (608) 266-0672 or by e-mail at paul.yeung@wisconsin.gov

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of

proposal normally does not have the potential to cause significant adverse environmental or secondary effects.

This is a preliminary determination and does not constitute a final approval from the Air Management

Program or any other DNR sections which may also require a review of the project.

DNR published a public notice on June 30, 2018. On June 27, 2018, DNR e-mailed the public notice to

the interested parties who have requested to receive the public notices via e-mail, with the information

that the public notice would be published on June 30, 2018. DNR received a request on June 28, 2018 for a public hearing for the project.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1), 285.61(7), and 285.62(5) Wis. Stats., DNR

will hold a public hearing to receive public comments on the air pollution control permit application for the proposed project.

NOTICE IS FURTHER GIVEN that the public hearing will be held:

**Monday, July 30, 2018 at 6:00 PM
Chetek City Hall Chamber
220 Stout Street,
Chetek, Wisconsin 54728**

All comments received by the DNR at the public hearing, and during the public comment period will be considered prior to making a final decision regarding the proposed project. The comment period ends Wednesday(?), July 30, 2018.

After the public hearing and the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

Reasonable accommodation, including the

**provision of informational material in an
alternative format,
will be provided for qualified individuals with
disabilities upon request.**
