

Public Notice of an Air Pollution Control Permit Application Review

**The notice was published on Aug. 3, 2018 on the
website. 30 days to apply for hearing.**

Facility Description.

**Meteor Operating LLC, located at 1112 USH 12,
Warrens, Monroe County, Wisconsin, FID
642085620, submitted to the Department of
Natural Resources (DNR) a permit application,
including plans and specifications for the
construction and operation of a sand drying and
processing facility.**

**Air pollution control construction permit no. 17-
POY-175.**

Air pollution control operation permit no.
642085620-F01.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at West Central Region Headquarters, 1300 W. Clairemont Avenue, Eau Claire, WI 54701.

This information is also available for downloading from the Internet at

<http://dnr.wi.gov/topic/AirPermits/Search.html>

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Paul Yeung at (608) 266-0672 or by e-mail at

paul.yeung@wisconsin.gov

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of proposal normally does not have the potential to cause significant adverse environmental or secondary effects.

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice.

Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at

http://dnr.wi.gov/cias/am/amexternal/public_notices.a

spx

Comments or request for hearing should be sent to:

**Wisconsin Department of Natural Resources,
Bureau of Air Management, 101 S. Webster Street,
Box 7921, Madison, WI 53707-7921. Attn.: Paul
Yeung.**

If a hearing is requested, the requester shall indicate their interest in the permit and the reasons why a hearing is warranted. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

All comments received by the DNR at the public hearing if one is held, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
