

**Subject:** A BOOK BY DR. TOM PEARSON

---

OCTOBER 24, 2018-FALL CREEK LIBRARY SIGNING

**When the Hills Are  
Gone: Frac Sand  
Mining and the  
Struggle for  
Community**

**Wednesday, October 24, 2018  
— 7:00 PM - 8:00 PM**

**Fall Creek Public Library 122 East Lincoln  
Avenue Fall Creek, WI, 54742**

**Professor Pearson will discuss how  
anthropological research was used in writing  
his book about the impact of frac sand mining  
on sense of place, community, and local**

democracy in our area.

**THOMAS W. PEARSON** is associate professor of anthropology and assistant director of the Honors College at UW–Stout. He is the author of *When the Hills Are Gone: Frac Sand Mining and the Struggle for Community*, published by the University of Minnesota Press. His writing has also appeared in several academic journals, including *American Anthropologist*, *Cultural Anthropology*, *American Ethnologist*, and *Human Organization*. He lives in Menomonie, Wisconsin.

This event is co-sponsored by the **Fall Creek Public Library**

Our book sales committee will have copies of *When the Hills Are Gone: Frac Sand Mining and the Struggle for Community* available for purchase at this event. Please join us for an autographing session following the presentation.

More info on this talk and Heather Swan's talk on honeybees at the CF library are at: [cvbookfest.org](http://cvbookfest.org)

**Thanks for your help!**

**Eileen Immerman**
