

**Subject:** 2018-03694-EMN - Wetland Compensatory Mitigation Bank Proposal - Devil's Hole Wetland Mitigation Bank (Monroe Co.)

---

*.....keeping watch on  
the industry*

**Issue:#247**  
**Date: Jan. 14, 2019**

**Because there  
only a few places  
where wetlands  
can be mitigated,  
as more and  
more of our  
wetlands are  
taken for  
economic**

**development purposes, other lands have to be  
opened up. Here is another move to reducing  
working wetlands somewhere so they can be  
developed in another location where they might  
or might not "work."**

**Some of you may want to investigate the issues  
more deeply, taking a look at the process and  
plan and make comment as allowed.**

**CLASSIFICATION: UNCLASSIFIED**
