Application Review Facility Description.

Smart Sand Inc - Hixton, located at W14822 Green Acres Road , Hixton, Jackson County, Wisconsin, FID 627023210, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for construction and operation of an industrial sand mine and processing plant.

The following permit actions and numbers are being noticed:

Air pollution control construction permit no. 19-BAP-068.

Air pollution control operation permit no. 327023210-F01.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved.

You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at West Central Region Headquarters, 1300 W. Clairemont Avenue, Eau Claire, WI 54701. This information is also available for downloading from the Internet at

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Beth Perk at (608) 267-0573 or by e-mail at

[**Beth.Perk@wisconsin.gov**](mailto:Beth.Perk@wisconsin.gov)

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice.

Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at

http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx

Comments or request for hearing should be sent to:

Wisconsin Department of Natural Resources, Bureau of Air Management, 101 S. Webster Street, Box 7921, Madison, WI 53707-7921. Attn.: Beth Perk.

If a hearing is requested, the requester shall indicate their interest in the permit and the reasons why a hearing is warranted.

All comments received by the DNR at the public hearing if one is held, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at

<http://dnr.wi.gov/topic/AirPermits/Process.html>

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
