Dr. Ted Auch, FracTracker

An Air Quality Hearing for Smart Sands in the Town of Hixton, Jackson County, will be held on July 16th, 2019, at 1:00 p.m. in the Jackson Co. Court House, 307 Main St., Black River Falls, WI Thank you to the person or persons who requested the Public Hearing. It will be the Public's opportunity to submit written and oral comments at that time.

**Please open up the announcement
[HERE](#) for further information.**

Please attend! Can you imagine the effects of a blast occurring in your neighborhood as it releases vast amounts of respirable crystalline dust into the air? How does this very fine dust impact you and your family along with animals and crops?

If you know of people wishing to receive the Frac Sand Sentinel, please send me their email address and name or ask that the person send their name and email address to sunnyday5@charter.net

I will add the address to the mailing list.

Keep informed!

Patricia Popple 715-723-6398 sunnyday5@charter.net

Welcome to the Frac Sand Sentinel, a newsletter highlighting resource links, news media accounts, blog posts, correspondence, observations and opinions gathered regarding local actions on, and impacts of, the developing frac sand mining and processing industries.
