Public Notice of an Air Pollution Control Permit Application Review Facility Description.

Badger Mining Corporation - Taylor Plant, located at N7815 County Road P, Taylor, Jackson County, Wisconsin, FID 627007260, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for renewal of air pollution control Part 70 operation permit no. 627007260-P30 for operation of a silica sand mining and processing facility.

The following permit action and number is being noticed:

Air pollution control non-Part 70 synthetic minor source operation permit renewal no. 627007260-F40

The Wisconsin Department of Natural Resources issues Air Pollution Control Operation Permits for sources of emissions, as required by chapter NR 407, Wis. Adm. Code, and Title V of the Clean Air Act (Act). The draft operation permit contains no revisions to Title I conditions.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at West Central Region Headquarters, 1300 W. Clairemont Avenue, Eau Claire, Wisconsin, 54701. This information is also available for downloading from the Internet at

<http://dnr.wi.gov/topic/AirPermits/Search.html>

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Beth Perk at (608) 267-0573 or by e-mail at Beth.Perk@wisconsin.gov

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at

http://dnr.wi.gov/cias/am/amexternal/public_notices.as

PX

Comments or request for hearing should be sent to:

**Wisconsin Department of Natural Resources,
Bureau of Air Management, 101 S. Webster Street,
Box 7921, Madison, WI 53707-7921. Attn.: Beth
Perk.**

**If a hearing is requested, the requester shall
indicate their interest in the permit and the
reasons why a hearing is warranted.**

**All comments received by the DNR at the public
hearing if one is held, and prior to the close of the
comment period, will be considered prior to
making a final decision regarding the proposed
project. After the close of the public comment
period, a final decision will be made on whether to
issue or deny the air pollution control permit.
Information on the public commenting and hearing
process is available at**

<http://dnr.wi.gov/topic/AirPermits/Process.html>

**Reasonable accommodation, including the
provision of informational material in an
alternative format, will be provided for qualified
individuals with disabilities upon request.**

**STATE OF WISCONSIN
DEPARTMENT OF NATURAL RESOURCES
For the Secretary**
