Date: November 16, 2019

**Citizen
Involvement is
Cool!!**

**Join Wisconsin Conservation Voters for
a Clean Water Action Day on November 23rd in
Chippewa and Dunn Counties. We will be out in the
community talking with neighbors about drinking
water quality. What are their experiences with
contaminated drinking water? What do they think
should be done about it? Sharing our story can
change opinions and change the important
policies that are meant to protect our
drinking water.**

All canvasses will start with a short training on

issue based canvassing. Volunteers will go out in pairs to canvass rural neighborhoods in Chippewa and Dunn Counties.

Here are the details:

Chippewa County

When: November 23rd at 9am-1pm

Where: Bloomer Public Library (1519 17th Ave, Bloomer)
